**Warnings**

Players in a group which is out of position may be timed. When possible, Rules Officials will instruct the players in a group if the group is lagging but not yet out of position. Rules Officials will advise a group if it is being timed.

**Timing and Penalties**

The timing of a player’s stroke will begin when it is the player’s turn to play and he can play without interference or distraction. On the putting green, the timing of a player’s stroke begins when it is the player’s turn to play without interference or distraction and the player has completed the actions allowed under Rule 13.1, providing the player is not unreasonably delaying play. **The player is expected to make a stroke within 40 seconds** (50 seconds for first player in group to play). Time spent determining yardage and other conditions (such as wind) and time spent surveying the line of play from any angle (including studying greens reading material) will also count as time taken for making the stroke.

If a group is being timed, any player who takes more than 40 seconds (50 seconds for first player in group to play) to make a stroke is subject to the following penalties: **First offense: warning; second offense: one stroke; third offense: two strokes; and fourth offense: disqualification.**

Note: If a group being timed regains its proper position, any previous bad times will be carried over for the remainder of the round in the event that the group requires additional timing. **Note: If a ruling of other uncontrollable delay causes a group to lose its position, the group is expected to regain its position within a reasonable time.**

**EVACUATION** - in the event of a stoppage of play for a dangerous situation, all players/caddies/spectators shall evacuate the golf course immediately and seek shelter. The Committee and club staff will assist as needed. Please follow their instructions, particularly as to where to shelter.

**SUSPENSION FOR A DANGEROUS SITUATION WILL BE SIGNALLED BY ONE PROLONGED AIRHORN NOTE, AND ALL PLAYERS WILL BE VERBALLY INFORMED BY THE COMMITTEE. ALL OTHER TYPES OF SUSPENSION WILL BE SIGNALLED BY THREE CONSECUTIVE AIRHORN NOTES, REPEATED. RESUMPTION OF PLAY WILL SIGNALLED BY TWO SHORT AIRHORN NOTES, REPEATED. NOTE – The club automated siren system is beyond our control. If it goes off, it will be followed right away by our air horns – the official alert to stop play - and players MUST immediately stop play for a dangerous situation and seek shelter.** 6/23/2021 10:35 PM
