Players may face withdrawal of their entry, and possible future suspension for the inappropriate behavior of their caddies. Players, caddies or family who repeatedly violate the code of conduct, or who are abusive to officials or club staff, may be suspended from attending future events.

Any person whose entry is accepted will be subject to the Rules and Conditions of Competitions set forth by the MAGA.

Family & Spectator Involvement in Conduct and Rulings

Please refrain from policing any code of conduct issues and situations involving the Rules of Golf. If you witness a code of conduct breach or Rules of Golf violation that is serious or have seen the same breach multiple times by a player, you may notify an official. **DO NOT HANDLE THE SITUATION YOURSELF.** Officials and the Tournament Chairman will be responsible for handling all code of conduct issues.

Penalties for Violation of Code of Conduct during Competition

Penalties may be assessed based on each individual situation including the severity of the breach and the factors that contributed to the breach occurring.

- **1st Offense: Warning**
- **2nd Offense: One Stroke Penalty**
- **3rd Offense: General Penalty (Loss of hole in match play or two-stroke penalty)**

Players may be disciplined, but not penalized for any serious breach of the MAGA Code of Conduct by a spectator (including family members).
